Based in large measure on this Court's Order Granting Plaintiffs' Motion to Amend Complaint filed on June 23, 2005, Defendants do not oppose Plaintiffs' Motion to Amend the First Amended Complaint. This non-opposition is not a concession that the Defendants will suffer no prejudice because of the timing of this amendment and this non-opposition is not intended as a waiver of any right including, but not limited to, the right to move this Court for amendment of the case management order to allow additional time for discovery.

Dated this 28<sup>th</sup> day of July, 2005.
